Dear friends,

we are now entering the "hot" phase of Congress preparations.

- The organisers of Hakuba / Japan with OC Chair Tetsuya MARUYAMA are doing their very best to organise a first-rate and memorable Congress for all participants.
 - Let's help them by providing excellent contributions
 - and by participating in large numbers – there are many more places for additional participants.
 - In order to deepen our friendship, 200 Japanese ski instructors will attend the Congress.

The IVSI Executive Board and the Secretary-Generals of the IVSI / Hakuba OC, Fritz Mares and Tetsuya Maruyama, are asking you to further **intensify your efforts to promote Hakuba 2017**.

We are looking forward to your registrations!

With sporting regards,
