

## **IMPORTANT INFORMATION ON THE 2022 CONGRESS**

Dear members of IVSI,  
dear friends

this is to inform you that at its last meeting in Budapest, the IVSI Executive Board took a majority decision to terminate our cooperation with Rosa Khutor as the venue of the 2022 IVSI Congress.

It was very difficult for the IVSI Executive Board to make this decision, which was caused by the lack of guarantees on the part of the organisers to reimburse Congress participants for payments already made should the Congress have to be cancelled through no fault of the participants. In addition, several deadlines to remedy the problem were mutually agreed but were not met by the organisers.

Also by a majority of votes, the IVSI Executive Board decided to hold the 2022 Congress elsewhere in Europe. Negotiations are already ongoing.

We will inform you of the progress of negotiations and any new venue by 5 November 2021. More information will follow by 15 November 2021.

With sporting regards  
IVSI Executive Board
